"As an environmental and public health specialist, I CRAVE and stand for "adequate access to and control over adequate sanitation services" through embracing a vision of equality, health, and prosperity for my city and its entire people. Because together, working tirelessly to build a future where no one is left behind in our quest for better sanitation and a better life as stipulated in Sustainable Development Goals (SDGs) number 3, 5 and 6; Good Health and Well-Being Gender Equality, and Clean Water and Sanitation for health and well-being respectively."

Kama mtaalamu wa mazingira na afya ya umma, NINATAMANI na kusimamia kwenye "Ufikiaji/Upatikanaji wa kutosha na udhibiti wa huduma za kutosha za usafi wa mazingira na vyoo" kupitia kukumbatia maono ya usawa, afya, na ustawi kwa jiji langu na watu wake wote. Kwa sababu kwa pamoja, tukifanya kazi bila kuchoka kujenga mustakabali ambapo hakuna yeyote anayeachwa nyuma katika azma yetu ya kupata usafi bora wa mazingira na vyoo na maisha bora kama ilivyoainishwa katika Malengo ya Maendeleo Endelevu (SDGs) nambari 3, 5 na 6; Afya Bora na Ustawi Usawa wa Jinsia, na Maji Safi na Usafi wa Mazingira kwa afya na ustawi.
